MESSAGE FROM DISTRICT ROTARACT REPRESENTATIVE DRR Rtr. Anurag Patwary R. I. District - 3190

Hello, Readers of The Aikya!

It's always a delight to address Rotaractors of the Rotaract Club of MES College once again, to recognize and appreciate the work towards the Rotaract movement.

We are happy to see the Club keep up its enthusiasm despite the uncertainty & exam preparations.

Canopy of Hope, a project that was originated from Rotaract Club of MES College which is now a District-wide project, done again benefitting a few more of the construction workers' children.

On the occasion of World Rotaract Week, your Members kept the Club going with a week-long initiative "Let's Get Quizzical" and collaboration with Rotaract Club of Bengaluru Nagasandra's flagship project "Kannada Kallike".

We still hope to at least see a few of the vibrant members of your Club bring their energy to "Samskruti" namma Rotaract Conference this year. Rangabhumi, an inter-Club theatre competition is an amazing opportunity for acting enthusiasts in your college and Club to take part. The theme is "Culture & Heritage of Karnataka" and the winners have the chance to win cash prizes of up to ₹10,000! Grab this opportunity and we hope to see representation from your college and Club.

We also wish you all good luck for the upcoming & ongoing exams and looking forward to seeing you all back in action soon!

Let's explore the Prism of Possibilities as Change-Makers to Serve to Change Lives.

Yours in Rotaract,

Rtr. Anurag Patwary

We are stepping into the last Quarter of this Rota-year and it's been an amazing journey so far and the last 3 months are going to be really engaging.

This month was completely jam packed with our exams and all of us were busy, yet we managed to celebrate the world Rotaract week successfully with over 90+ participants.

Overall this month has been very subtle and it has given us opportunities to connect with a lot of Rotaract Clubs around the world, the team working in the back-end came up with some wonderful initiatives.

Stay Tuned for all the exciting projects.

Let's Get Quizzical was an online quiz activity for all our Rotaractors on the occasion of the World Rotaract Week, 2021-22. Let's Get Quizzical was a fun and exciting quiz activity that tested the knowledge of our Rotaractors in respect of Rotaract and our club activities in the year 2021-22 and more. This activity was initiated to celebrate the World Rotaract Week, 2021-22. The quiz was open to the Rotaractors for a period of a week, and all the participants were awarded certificates based on their efficiency in performance. It helped us bring together Rotaractors and also to impart knowledge about the club and Rotaract to all the participants. Celebrating the Rotaract Week is a moment of pride and joy to all the Rotaractors as it marked the establishment of an organisation that brought millions of people together all across the globe to contribute their part towards service and benefit networking and personal development, we were immensely grateful to host this quiz and celebrate the Rotaract Week and we hope to keep offering better services and keeping the spirits high.

Canopy of Hope

Another phase of Canopy of Hope was completed on the 31st of March 2022, two canopies were distributed in Anjana Nagar, the canopies were distributed to the children below 1 year of age in the underprivileged families. We see the impact of this project growing, smaller and steadier steps are taken towards giving a small element of comfort and protection to the young children while they face their early stage of life in harsh and least tender environments, it not only gives them comfort but also protection from the harshness of heat, insects and much more. Canopy of Hope, an initiative that started as a small step has now indeed taken a significant position and it makes us proud and happy as Rotaractors to have join hands in increasing the positive impact it creates on the families that serve endlessly to bring comfort and shelter to the privileged class.

Yeh ehsaas uske aane ka , yeh ehsaas uske aane ka
hamein kabse satata raha.

Uske na aane takh dil , uske naa aane takh bhi
bepanah sa fadfadata aa raha.

Har subah suraj ki nayii kiran ke sath yeh ehsaas
jarur aata tha. Bewajah dil bhi roj ghabrata tha.

Pyaar khudh se kar ae bande Ali ne sabko sikhaya
tha , apni juthi khushi doosro mein dhundh kisi
ne na kuch paya tha.

Dusro se phele khudhko rakh tabhi sabh kadar
karenghe , varna tujhe mitti ki dhool samajh aage
bhahot badenge.

Abh bhi dil ghabrata hain , abh bhi dil ghabrata
hain lekin uske naa aane ki khushi manata hain.

Suraj se dosti chodh chaand ka hath abh usne
thama hain.

Yeh dil , pyaar aur ehsaas bekaar ka drama hain
abh jaaker usne jaana hain!!!
